REGISTRATION

IMPORTANT: Registration will not be canceled for non-attendance. Students must officially drop courses during the tuition refund periods to be eligible for reduction of tuition assessments. Students may drop using the SAIL Web system.

To be eligible to register, a student must be in good standing with the university. Please see the undergraduate and graduate catalogs for additional information regarding "good standing" with the university. For readmission, see the **Readmission** section in this [Schedule](#).

In order to register for courses, students with "holds" must secure a "release" of each "hold" from the office which placed each "hold". The responsibility for releasing "holds" in order to permit registration rests with the student. Students should resolve hold issues prior to registration time periods. Undergraduate students must have attended Oakland University Fall semester, 2003 or later; graduate students must have attended Oakland University Fall semester, 2007 or later.

All registrations are considered to be temporary and tentative, based on satisfactory academic progress and total satisfaction of all financial obligations to the university. Oakland University may revoke the registration of any student if the student's grades for the preceding semester should result in suspension or dismissal for academic reasons. Any student whose registration is revoked shall be entitled to a full refund of tuition, as well as a pro-rated refund of prepaid Room and Board charges.

DE-REGISTRATION

Students who are not in good financial standing by early August (have not paid all prior semester bills) will be taken out of their fall classes. Students will be required to re-enroll for classes based on class availability if they correct their financial standing by paying prior balances in full. To stay in good financial standing, pay all OU bills on or before their due dates. For more details, visit www.oakland.edu/deregistration.

UNDERGRADUATE STUDENTS TAKING GRADUATE CLASSES

Courses numbered 500 and above are primarily for graduate students. Qualified undergraduate students may enroll in a course numbered between 500 and 599, provided they have obtained written permission to do so from the course instructor, the department chair and academic adviser. Written permission is to be presented at the time of registration.

LATE REGISTRATION FALL 2009

Late Registration begins the first day of classes for a given semester. Students may register for open sections through SAIL (Web) for the first week of the Fall/Winter/Summer semesters. After this time frame, students must obtain a faculty signature and the student must submit the signed registration/add form in person at the Registration Office, 100 O'Dowd Hall. Please see the Calendar in the appropriate [Schedule of Classes](#) or at www2.oakland.edu/registrar for additional information regarding Late Registration.

ADDS, DROPS AND WITHDRAWALS FALL 2009

ADDS

Students may add courses via the SAIL (Web) system during early registration time periods. After the first week of the Fall/Winter/Summer semesters, instructor signature is required to add courses. Students should contact the instructor's department for information to add into closed courses. Please see the Calendar in the appropriate [Schedule of Classes](#) or at www2.oakland.edu/registrar for additional information regarding Late Registration for full semester courses and courses of other lengths.

DROPS

Students must officially drop from courses by either using the SAIL (Web) system or by submitting a completed drop form in person at the Registration Office, 100 O'Dowd Hall, or by faxing a written request or by certified mail. Students will not be considered dropped from courses unless a drop is processed. Notifying faculty, advising offices or admission offices does not constitute an official drop from courses. Please see the Calendar in the appropriate [Schedule of Classes](#) or at www2.oakland.edu/registrar for additional information regarding no record drops, drops for W grade and refund policies for full semester courses and courses of other lengths. Please contact the Registration Office for information regarding refund policies for special credit course offerings. To withdraw from ALL courses, please see information regarding Withdrawal from courses for a semester. **DROPS WILL NOT BE ACCEPTED AFTER ESTABLISHED DEADLINE DATES.**

Students who do not drop by the end of the drop period will remain officially enrolled and instructors will assign grades as appropriate. Under certain conditions, a student may be eligible to request an Incomplete (I) grade. See instructions for requesting incomplete grades in the university catalog.

WITHDRAWAL

A withdrawal resulting in a refund, no record withdrawal or W grade withdrawal will occur only if the student reduces his/her credit load by processing a withdrawal with the Registration Office. Simply notifying the instructor or ceasing to attend course(s) does not relieve the student from the obligation of officially withdrawing. Students who do not officially withdraw within the published deadline may receive a failing grade.

Students who find it necessary to drop all courses for which they are registered may do so by filing an Official Withdrawal form with the Registration Office or by dropping all of their classes via SAIL (Web). Withdrawals filed with the Registration Office can be processed in person, by fax or by certified mail. Withdrawal forms are available on the web at www2.oakland.edu/registrar. Students who use SAIL (Web) to drop their last class will be considered withdrawn effective the date of the drop of their last class. Refunds, if applicable, are based on the date of notification to the Registration Office or on the date the last class was dropped via SAIL (Web). **WITHDRAWALS WILL NOT BE ACCEPTED AFTER ESTABLISHED DEADLINE DATES.**

Please note: Students who do not withdraw by filing a withdrawal request with the Registration Office or by dropping all classes via SAIL (Web) will not be considered withdrawn. Simply notifying the instructor or ceasing to attend courses does not relieve the student from the obligation of officially withdrawing. Students who do not withdraw within the established deadlines may receive a failing grade.

Withdrawal by Mail or Fax

(Students should retain fax confirmations until their withdrawal has been verified.)

Students may withdraw from a course or from all courses by sending a request via fax (248) 370-3461 or a letter by certified mail to the Registration Office, 100 O'Dowd Hall, Rochester, Michigan 48309-4490. Withdrawal forms are available on the web at www2.oakland.edu/registrar. When not using a withdrawal form, the student's signature, ID number, course/CRN numbers, reason for withdrawal and a weekday telephone number should be included in the fax or letter. Tuition refunds will be determined by the receipt date of a fax and/or the postal cancellation date. Please see **Refund Policy and Calendar** in the appropriate [Schedule of Classes](#) or at www2.oakland.edu/registrar for additional information.

COMPETENCY CREDIT

Undergraduate:

To register for competency credit, students must submit an Oakland University Competency Examination Authorization Form to the Registration Office. The forms can be obtained from the academic department that is offering the competency course or on the web at www2.oakland.edu/registrar. Forms are to be filled out and signed by the student, and by the department chairperson, dean or director of academic units offering the course. Registration is then completed through the Registration Office, 100 O'Dowd Hall by the end of the Late Registration period. The competency exams must be taken within the first six weeks of the semester. For additional rules governing competency credit, consult the appropriate University Catalog.

Graduate:

Competency examinations are offered by some departments and, with the approval of Graduate Study and Lifelong Learning, can be used to update Oakland University credit which is beyond the six-year time limit. Students should consult their advisers for specific information and must register and pay fees during the normal registration period. University legislation stipulates that the examination must be taken not more than six weeks after the close of registration.

COURSE LOAD

Fall/Winter

For most undergraduate students, a full academic load is 16 to 18 credits per semester. With his/her adviser's written permission, an undergraduate student who has completed 12 or more credits at Oakland University may register for as many as 21 credits if his/her cumulative grade point average is at least 2.60. All other undergraduate students may take more than 18 credits only as a result of a successful Petition of Exception. Students in doubt regarding the appropriate number of credits to take during Fall, Winter or Summer semester should discuss their proposed schedule with their adviser.

Summer

College guest students who wish to take more than 16 credits should contact the Registration Office, (248) 370-3450. Students in doubt regarding the appropriate number of credits to take during the Summer semester should discuss their proposed schedule with their adviser.

PAYMENT REQUIREMENTS

In accordance with its fiscal responsibilities as a state-supported institution, Oakland University has established the following requirements for payment of tuition and charges:

Tuition is assessed based on the student's class standing, residency and the number of credits enrolled. Students are billed monthly by Student Business Services through eBill, Oakland University's electronic billing presentment center. Paper bills are not mailed. All tuition and charges are payable in U.S. dollars according to the established due dates. Questions about the bill may be addressed to the Office of Student Financial Services.

Student Business Services sends billing notifications electronically to each student's OU e-mail address. Upon e-mail notification, students will be responsible for accessing their eBill account each month to view their account balance and confirm payment due dates. The university holds students accountable for the information sent via e-mail. Therefore, students should check their Oakland e-mail account regularly ---- at least twice each week.

For more information about your OU account and how to pay your bill, visit the Student Business Services web site at www.oakland.edu/sbs. For instructions on how to use eBill or to pay your bill online, visit www.oakland.edu/ebill.

FAILURE TO RECEIVE AN ELECTRONIC BILLING NOTIFICATION DOES NOT EXCUSE STUDENTS FROM REQUIRED PAYMENT ON THE SPECIFIED DUE DATE.

Payment in full of the total balance due will avoid assessment of a 1.5% monthly late payment penalty. Student accounts must be paid in full by the established due dates in order for students to be eligible to register during the next registration period. Transcripts, diplomas, or other statements of record will be withheld and students will be ineligible to enroll in future semesters until the obligations have been fulfilled. If an account is not paid in full by the end of the semester, it will be referred to an outside collection agency that will report it to the Credit Bureau.

Fall Semester De-registration Policy

Students who are not in good financial standing by late-August (have a past due balance from a prior semester(s)) will be taken out of their fall classes. Students will be required to re-enroll for classes based on class availability if they correct their financial standing by paying the past due balance from the prior semester(s) in full. To stay in good financial standing, please pay all OU bills on or before their due dates.

FINANCIAL AID RECIPIENTS: Grants, scholarships and loans are reflected on the bill and deducted from any university allowable charges provided all financial aid requirements are met. If you receive a bill with an amount due, it is important for you to pay your bill by the due date on your billing notification. If you have any amount due and you are expecting to acquire financial aid to pay your bill and your financial aid is not reflected on your bill, you must pay your bill by the due date. Common reasons why financial aid is not on the billing notification are: did not yet apply for financial aid, recently applied for financial aid, did not complete financial aid requirements, recently submitted requested documentation, financial aid did not fully cover the bill. A 1.5% monthly late payment penalty is assessed on any unpaid balance. ANY LATE PAYMENT PENALTIES ASSESSED ARE THE RESPONSIBILITY OF THE STUDENT AND WILL NOT BE PAID BY FINANCIAL AID.

NOTE: STUDENTS WHO FIND IT NECESSARY TO DROP ALL COURSES FOR WHICH THEY ARE REGISTERED MUST FILE AN OFFICIAL WITHDRAWAL WITH THE REGISTRATION OFFICE. PLEASE REFER TO THE WITHDRAWAL SECTION IN THIS SCHEDULE. TO CALCULATE THE POSSIBLE REDUCTION OF CHARGES, SEE THE REFUND POLICY IN THIS SCHEDULE.

How to Pay

All payments must be in U.S. currency.

Remittance should be made payable to "Oakland University" and identified with the student name and Grizzly ID number.

Payments returned by the bank are considered nonpayment and may result in cancellation of registration. A \$25.00 charge will be assessed for returned items.

Payment options are as follows:

- **Online** through eBill at <https://ebill.oakland.edu>. You will need your Grizzly ID number and six-digit SAIL PIN. Payment methods include online checking or savings account (ACH), debit cards (PULSE or STAR networks) and credit cards (Visa or MasterCard). The account will be credited immediately when paying by eBill. Electronic payment confirmations will be sent.
- **By mail**, to Cashier's Office, 120 North Foundation Hall, Oakland University, Rochester, MI 48309-4401. Please allow 5-6 days for mail delivery. All payments should include the Grizzly ID number to ensure correct and timely processing. Receipts will not be mailed; your cancelled check is proof of payment.
- **In person**, at the Cashier's Office, by cash, check, debit card or credit card. The student account will be credited immediately when paying in person. Be sure to bring your driver's license, OU Spirit Card or other government issued picture identification. You may use the payment drop-box, located outside of the Cashier's Office, during non-business hours. Receipts will be mailed to the student if the payment is made by a third party who does not know the Grizzly ID at the time of payment.

OU Payment Plan. Enroll in an OU Payment Plan (fall and winter semesters only) and spread your tuition, on-campus housing and other charges billed to your student account into several smaller payments. The OU Payment Plan allows you to select a plan option that best meets your needs. See the Student Business Services web site at www.oakland.edu/paymentplan for more details. Schedule your installment payments to process automatically each semester using your checking or savings account, a debit card, or a credit card and OU will waive the \$25 payment plan processing charge.

Important information to keep in mind when enrolling in a payment plan:

- √ Payment plans are available for fall and winter semesters only. Enrollment is available starting the first day of early registration and will end the last day of registration for the semester.
- √ Fall semester payment plans will be estimated based on the previous year's tuition rates until new rates are set by the OU Board of Trustees in mid to late summer. Once the new rates are determined, installment payments will be adjusted to reflect the new rates. You will see fall tuition on your student account as 'estimated' until the rates are approved by the BOT. Reassessment with the approved rates is expected during mid-August but may occur sooner.

√ Winter semester payment plans will be based on actual tuition rates.

√ The OU Board of Trustees reserves the right to change any and all tuition rates and charges when circumstances make such change necessary.

√ Financial aid note: Students who expect to receive financial aid and enroll in a payment plan are responsible for making payments when due, regardless of financial aid status. When financial aid is applied to the student account, payment plans will be revised and installment payments will be adjusted. If there is a credit balance on the student account after financial aid is applied, the payment plan will be paid in full and a refund will be processed.

Third-Party Billing

Corporate sponsored students should mail or bring an authorization to Student Business Services authorizing Oakland University to bill their corporation. Authorizations should be submitted by the first bill due date to avoid late payment penalties. Student Business Services is located in the Office of Student Financial Services, 120 North Foundation Hall.

Winter vouchers should be submitted by January 31.

Summer vouchers should be submitted by May 31.

Fall vouchers should be submitted by September 30.

If the credit does not appear on the next bill, the student should contact Student Business Services by calling (248) 370-2550 or e-mailing mystuact@oakland.edu. The student will be held responsible for any costs that the corporate sponsor fails to pay. Vouchers MUST be dropped off or mailed to:

Office of Student Financial Services
120 North Foundation Hall
Oakland University
Rochester, MI 48309-4401

Michigan Education Trust (MET)

Students who are using MET to pay their tuition and charges should inform MET directly that they will be attending Oakland University.

For more information, contact MET at (800) MET-4KID or via the Michigan Education Trust web site at <http://www.michigan.gov/setwithmet>.

Non-Dischargeable Educational Benefits

Oakland University may provide, extend or advance funds, credits and/or other financial accommodations to students, to be applied towards their tuition and/or charges, with the understanding that students will re-pay those amounts. All such amounts, other than scholarships, fellowships, stipends and/or tuition waivers, are loans and/or educational benefits which students must repay to the University together with late payment charges as established by the University. In consideration for allowing students to attend classes, students agree to repay the University for those loans and/or educational benefits and acknowledge that their re-payment obligation is not dischargeable in bankruptcy.

Taxpayer Identification Numbers (SSN/TIN)

University requirement to collect **Taxpayer Identification Numbers (SSN/TIN)**: The University is required to collect a student's SSN/TIN for various reasons:

- Students applying for any form of on-campus employment.
- Students must provide an SSN/TIN when they apply for financial aid.
- The Taxpayer's Relief Act of 1997 was passed by the Congress and signed into Federal Law by the President in 1997 to offer the American taxpayer some relief if they made payments during the tax year to a qualified university. Part of this law is a requirement that the university receiving such payments report annually to the taxpayer and the Department of the Treasury the taxpayer's identification number (for individuals, this is their social security number), the taxpayer's name, qualified tuition and charges billed and grants or scholarships received, and the student's enrollment status. This information is to be reported regardless of the taxpayer's intention to actually take a credit or deduction under this law. The university must therefore receive your TIN before it can conduct billing and receipting transactions with you. You can find more information about this law on the web at www.nacubo.org/edtaxcredits.xml or by going to the Internal Revenue Service site www.irs.gov and refer to the "Tax Regs" section. This public law is in the Internal Revenue Code, Section 6050S.

You may use an **IRS Form W-9S** to submit this information. This form may be obtained at www.irs.gov.

IRS Form 1098-T

To assist you or your parents in taking a tax credit or deduction for qualified tuition and charges paid, the University will issue an IRS Form 1098-T to students each January. The 1098-T reports the amount of qualified tuition and charges billed and grants or scholarships received for the previous tax year. You may obtain your 1098-T electronically by visiting sail.oakland.edu, click 'Login to Secure Area', click 'Student Services & Financial Aid', click 'Student Records and Account Summary', and then click 'Tax Notification'.

CONTACT INFORMATION

You may reach Student Business Services via email at mystuact@oakland.edu, via telephone at 248-370-2550 or in person/by mail at Student Business Services, 120 North Foundation Hall, Oakland University, Rochester, Michigan 48309-4401.

You may review your account via the Internet by visiting eBill at www.oakland.edu/ebill.

FINANCIAL AID

FINANCIAL AID

The Financial Aid Office (Student Financial Services) which includes financial aid, student employment and student account/billing inquiries is open from 8 a.m. to 5 p.m. Monday through Friday. The office is closed during holidays and holiday breaks. The office can be contacted in the following ways:

Address: 2200 North Squirrel Rd, 120 North Foundation Hall,
Rochester, MI 48309-4481
Telephone: 248-370-2550
E-mail: finaid@oakland.edu
Web: www.oakland.edu/financialaid

Oakland University is committed to making a college education possible for all students. The purpose of the financial aid and student employment programs at Oakland University is to help students and their families acquire financial resources to assist with educational expenses. A variety of programs are available through Oakland, federal, state, local and private sources. Complete information concerning grants, scholarships, loans and student employment is available on the Oakland University web site at www.oakland.edu/financialaid. The web site also offers access to financial aid, student employment and financial forms.

Admission to an eligible Oakland University degree or certificate program of study is required to be considered for grants, scholarships, loans and student employment. All OU degree programs, a few certificate programs (including teacher certification) and non-degree preparatory coursework qualify for financial aid. Guest students, endorsements, second majors, professional development, self-enrichment programs, continuing education, competency exams, audit courses, etc. do not qualify for financial aid.

Students are provided with an Oakland University e-mail address when admitted to the University. Financial aid information is communicated to students through their Oakland University e-mail address. Student financial aid status and awards are updated regularly and available on the SAIL web site. It is important for admitted students to activate and access their Oakland University email and SAIL accounts on a regular basis.

To be considered for federal, state or need-based financial aid, the Free Application for Federal Student Aid (FAFSA) for the 2009-2010 school year must be completed. Additional financial aid programs may also rely on the FAFSA application. It is recommended that the FAFSA be completed over the Internet at www.fafsa.ed.gov. To maximize a financial aid award package, students are encouraged to complete the FAFSA as soon as possible after January 1 for the upcoming academic year. Include Oakland University's federal school code of 002307 on the FAFSA. Only one FAFSA application is needed each academic year to cover the fall, winter and summer semesters. The FAFSA federal processing center must receive the FAFSA no later than June 30, 2010 and Oakland University must receive a correct, complete FAFSA with an official expected family contribution (EFC) from the FAFSA federal processing center by the student's last day of enrollment in the 2009-2010 school year. In addition, the Financial Aid Office needs adequate

processing time. If a student provides an e-mail address on the FAFSA, it is important to keep the e-mail address updated with the FAFSA federal processing center. Keep in mind that if the e-mail address on FAFSA is different than the Oakland e-mail address, Oakland will communicate with you through the Oakland e-mail address and the FAFSA federal processing center will communicate with you through the e-mail address on the FAFSA.

Students interested in receiving financial aid for the Summer 2010 semester will need to complete a Summer 2010 Financial Aid Application form in addition to the FAFSA. The Summer 2010 Financial Aid Application will be available in January 2010 at www.oakland.edu/financialaid under Forms. Application deadline dates and eligibility information for Summer 2010 will be available on the form. Eligibility for federal awards will be assessed when the application is received by the Financial Aid Office. Many students obtain a private education loan for summer. Information and application information for private education loans are available on the Financial Aid web site.

The Financial Aid Office begins to send financial aid award notifications in March for the fall and winter semesters and in February for the summer semester. Financial Aid awards and adjustments continue as needed as subsequent funding and information become available. Financial aid notifications provide information concerning the amount and type of financial aid you are eligible to receive.

The Financial Aid Office might need additional information or documentation from students to support the financial aid application. E-mail messages are sent advising students to review SAIL to obtain information concerning the status of the financial aid package. It is important for students to respond to any request promptly and include the student name and student number on all documentation submitted to the Financial Aid Office. Delays in providing information and documentation may affect the financial aid award package and/or the transfer of funds to the student account.

Financial Aid awards are divided between fall and winter semesters. Initial awards are based on full-time enrollment. After the last day to drop a course with a 100% refund, financial aid is adjusted to reflect the actual enrollment status. Students planning to not enroll full time can notify the Financial Aid Office prior to the start of the semester by completing a Revision Form available on the financial aid website at www.oakland.edu/financialaid. The Revision Form can also be used to reduce and decline awards. Financial Aid awards are based on enrollment at Oakland University. Federal and state financial aid cannot be received at two schools during the same enrollment period. (Students admitted to the Macomb 2 Oakland program can receive federal awards based on the combined enrollment at Macomb Community College and Oakland University.)

Summer 2010 financial aid awards are based on the expected enrollment reported on your Summer 2010 Financial Aid Application and applicable federal, state and institutional regulations and guidelines. If the enrollment status is blank, the expected enrollment status is full time. Financial aid is adjusted to reflect the actual enrollment status at the conclusion of the summer semester. Anticipated changes in expected enrollment status can be made prior to the start of the semester by completing a Revision Form available on the financial aid web site.

Students are required to meet the requirements of the financial aid Satisfactory Academic Progress Policy (SAP) to be eligible for federal, state and institutional financial aid. The SAP policy is available on the Financial Aid web site at www.oakland.edu/financialaid.

Students are encouraged to seek financial aid resources from private sources. The student should notify the Financial Aid Office in writing if an external scholarship is expected so that aid adjustments can be made as soon as possible. When the awarding organization provides the funds to the student, the student should send the funds to: Oakland University, Financial Aid Office, 2200 North Squirrel Rd, 120 North Foundation Hall, Rochester, MI 48309-4481. Include the student name and student number with the funds. If a check is co-payable to the student and Oakland University, it is important for the student to endorse the check. Scholarships from private sources are not eligible to utilize electronic payment through eBill. The scholarship will be applied to the student account and university charges. If the student has leftover funds, a refund will be sent to the student shortly after the earlier of financial aid disbursement date or within 2 weeks after receipt of the check. Although federal regulations and University policies consider private scholarships as financial aid resources when determining eligibility for need-based financial aid and meeting the cost of attendance, they improve the overall financial aid package.

Billing notifications are sent to students to their Oakland University e-mail address. Students can view their current account status and pay their bill by accessing eBill at <https://ebill.oakland.edu>. Monthly billing notifications are sent as charges are incurred. Grants, scholarships and loans are reflected on the bill and deducted from any University charges provided all financial aid requirements are met. If a bill has an amount due, it is important for the student to pay the bill by the due date on the billing notification. If there is an amount due and financial aid is expected to pay the bill but financial aid is not reflected on the bill, the student must pay the bill by the due date. If financial aid disburses to the student account after the bill has been paid, the student (or parent in the case of a parent PLUS loan) will receive a refund. Common reasons why financial aid is not on the billing notification are: did not yet apply for financial aid, recently applied for financial aid, did not complete financial aid requirements, recently submitted requested documentation, financial aid did not fully cover the bill and an awarding organization has not sent the funds. A 1.5% monthly late payment penalty is charged on any past due balance. Late payment penalties are not waived based on pending financial aid.

STUDENT EMPLOYMENT

Student employment provides on-campus jobs for undergraduate and graduate degree seeking students enrolled at OU at least half-time; a few off-campus jobs are also available. Three types of student employment are available at OU: Federal Work Study, Michigan Work Study, and regular student employment. Students are paid every two weeks and are responsible for using the earnings to help pay their educational expenses.

During the Fall/Winter semesters students can work up to 20 hours per week. During Fall/Winter semester breaks (December to January semester break, Winter Recess) and the Summer semester, students may work up to 40 hours per week. While a student does not have to be enrolled for Summer semester in order to work a regular student employment position, they are:

- Required to be enrolled at least half-time in the preceding winter semester
- Have not completed graduation requirements
- Enrolled at least half-time for the upcoming Fall semester

Federal and Michigan Work Study funds are not available during the Summer semester. Only regular student employment positions are available during this time period (Summer).

Federal College Work Study

Provides jobs for students who demonstrate financial need. The FAFSA is required.

Michigan Work Study

Provides jobs for students who demonstrate financial need and are Michigan residents. The FAFSA is required.

Regular Student Employment

Allows on-campus employment for students who do not qualify for Federal Work Study or Michigan Work Study. The FAFSA is not required.

Registering for Student Employment

If you are interested in student employment, register with Student Financial Services by completing the following applicable forms (available on the Oakland University web site at www.oakland.edu/financialaid under forms).

- If you never worked on campus, complete an Employment Eligibility Verification (I-9), form W4 Employee's Federal Withholding Allowance Certificate, a MI W4 Employee's Michigan Withholding Exemption Certificate and submit your original Social Security Administration card to be photocopied.
- If you worked on campus and have secured an on-campus job, your employer will need to submit notification of their intent to employ you.
- Fall/Winter and Summer are separate award periods and will require complete rehiring forms.

The Employment Eligibility Verification (I-9) form must be presented to Student Financial Services with the required original documentation. Copies of documents cannot be accepted.

Payroll Direct Deposit

Direct deposit of payroll from student employment is available. The University will deposit your paycheck electronically into an account at any financial institution within the U.S. You will be able to retrieve a copy of your pay stub by accessing the Employee Services site on the Oakland University SAIL web page. To sign up for direct deposit, use the authorization at www.oakland.edu/financialaid under forms. Return direct deposit forms to Payroll Services, 121 West Vandenberg Hall.

Student Employment Placement

The OUCareerLink is web-based software where you can search all forms of employment in one convenient location online at www.OUCareerLink.com. To use this web site as a student, you must first register for a user account. To create an account, register online at www.OUCareerLink.com. Click on the "Students and Alumni" link. Fill out the profile form creating your own username and password. Descriptions of the positions and information on how to apply for the jobs are on the web site. Students cannot begin working until Student Financial Services sends an authorization to the hiring department. The hiring department will notify the student when work can begin.

Additional student employment information is available on the Financial Aid web site at www.oakland.edu/financialaid and through Student Financial Services. The office is open 8 a.m. to 5 p.m. Monday through Friday. The office is closed during holidays and holiday breaks. The office can be reached in the following ways:

Address: 120 North Foundation Hall, Rochester, MI 48309-4481
Telephone: 248-370-2550
Web: www.oakland.edu/financialaid

FINANCIAL AID DISBURSEMENT POLICY

Financial aid funds are paid each semester by crediting the student account (excluding non-disbursable financial aid such as work study) 10 days before the first date of the semester provided all financial aid requirements are met. For students enrolled in a combination of sessions (i.e. 2 week, 4 week, 7 week, etc.) financial aid funds will not pay to the student account until the student reaches the appropriate enrollment status (usually full time). Financial aid may be based on the number of registered credits and/or on campus housing status at the time of the disbursement. Financial aid disbursements can be viewed on SAIL.

Financial aid requirements must be met to receive a disbursement. Requirements include:

- Submit all requests for additional information
- Enrollment in the appropriate number of credits to receive awards (usually full-time) on the disbursement date
- Satisfy financial aid requirements and fulfill on campus housing status requirements (if applicable)
- Complete/sign all applicable promissory notes
- No disbursement hold

If financial aid requirements are met after the date financial aid is scheduled to pay, financial aid will disburse within 2 weeks after satisfying requirements.

If a student receives a financial aid disbursement and refund and drops classes or drops below the eligibility for financial aid before the first date of the semester/term, financial aid will be canceled and the student will be required to return any funds that had been refunded.

Financial aid (including scholarships, grants and awards) is finalized based on the number of registered credits on the last day to drop and/or withdraw from a class with a 100% tuition refund. Credits added after that day are considered for student loans only. If a financial aid disbursement occurred and a class is dropped between the disbursement date and the last date to drop a class with a 100% refund, the financial aid might be reduced. Loans disburse based on the number of registered credits at the time of disbursement.

If financial aid exceeds current year charges of tuition and on-campus housing, the student (or parent in the case of a parent PLUS loan) will receive a refund to pay other educationally related expenses. Refunds are sent within 14 days after the date financial aid was disbursed to the student account. Direct deposit is available for student account refunds at www.oakland.edu/financialaid. If a refund is issued while a student has unpaid charges on the account, a hold will be placed on the account that will prevent registration, transcripts, diplomas and other statements of records. If any charges are incurred on the account after financial aid has been refunded, it is the student's responsibility to pay the additional charges.

If the student is planning to purchase books with a refund, it is important for the student to expect a refund after all financial aid requirements have been met, funds disburse and institutional tuition and on-campus housing charges have been paid. A refund can be used to purchase books through any source and to pay any other educational expenses.

Billing notifications are sent to students to their Oakland University e-mail address. Students can view their current account status and pay their bill by accessing eBill at <https://ebill.oakland.edu>. Monthly billing notifications are sent as charges are incurred. Grants, scholarships and loans are reflected on the bill and deducted from any University charges provided all financial aid requirements are met. If a bill has an amount due, it is important for the student to pay the bill by the due date on the billing notification. If there is an amount due and financial aid is expected to pay the bill but financial aid is not reflected on the bill, the student must pay the bill by the due date. If financial aid disburses to the student account after the bill has been paid, the student (or parent in the case of a parent PLUS loan) will receive a refund. Common reasons why financial aid is not on the billing notification are: did not yet apply for financial aid, recently applied for financial aid, did not complete financial aid requirements, recently submitted requested documentation, financial aid did not fully cover the bill and an awarding organization has not sent the funds. A 1.5% monthly late payment penalty is charged on any past due balance. Late payment penalties are not waived based on pending financial aid.

FEDERAL FINANCIAL AID RECIPIENTS: RETURN OF FEDERAL TITLE IV FINANCIAL AID

When an eligible federal Title IV financial aid student withdraws (officially or unofficially) from all classes before 60% of the semester is complete during an enrollment period in which attendance has begun, federal regulations require Oakland University to determine the amount of financial aid earned. A student is only eligible to retain the percent of Title IV aid earned that is equal to the percentage of the enrollment period that was completed by the student. For students enrolled solely in courses that are less than the 15 week full semester, the enrollment period is adjusted to reflect the length of the courses. The unearned Title IV aid must then be returned to the appropriate federal aid program(s) which may result in the student owing financial aid funds to the University, the federal government, or both. If more than 60% of the enrollment period has been completed by the student, none of the Title IV aid needs to be returned.

Federal Title IV financial aid funds include: TEACH, Federal SEOG, Federal Pell Grant, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent (SMART) Grant, Federal Perkins Loan, and Federal Direct Subsidized, Direct Unsubsidized and Direct PLUS (Parent or Graduate) Loans.

The following steps determine the amount of federal Title IV financial aid a student has earned up to the time of withdrawal and the amount that is unearned and needs to be returned:

1. **Calculate the percent of the enrollment period completed by the student.** Divide the number of calendar days the student attended* by the number of calendar days in the enrollment period (less any scheduled breaks of 5 days or more). If the calculated percent exceeds 60%, the student has earned all Title IV aid for the enrollment period.

2. **Calculate the amount of earned Title IV aid.** Multiply the percent of the enrollment period completed by the total Title IV aid disbursed or could have disbursed according to late disbursement rules.
3. **Calculate the amount of unearned Title IV aid.** Subtract the amount of earned Title IV aid from the total amount of federal aid disbursed. The difference must be returned to the appropriate Title IV program by the University or by the student.

* If a student who began attendance and has not officially withdrawn fails to earn a passing grade in at least one course during the enrollment period, grade reports from the class professor will verify the last date of attendance. If a professor does not have a record of class attendance, the midpoint of the semester will be used to calculate the percent of the enrollment period.

Oakland University notifies students with details of their earned and unearned federal Title IV financial aid. Students are provided with instructions related to repaying the funds to the University or to the federal government. In some instances a late disbursement of earned Title IV aid can be made to the student. When a student has withdrawn and a credit balance is created, a Return of Title IV calculation must be performed before any credit balance may be refunded. Any Title IV credit balance must be allocated first to repay any grant overpayment owed by the student as a result of the current withdrawal.

Funds returned (by the University and/or the student or parent) must be allocated in the following order:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. Federal Perkins Loan
4. Federal Direct PLUS Graduate Loan
5. Federal Direct PLUS (Parent) Loan
6. Federal Pell Grant
7. Academic Competitiveness Grant (ACG)
8. National Science and Mathematics Access to Retain Talent Grant (SMART)
9. Federal Supplemental Educational Opportunity Grant (SEOG)
10. Teacher Education Assistance for College and Higher Education Grant (TEACH)

Unearned loan funds owed to the federal government are repaid according to the terms of the loan promissory note. Grant funds are owed directly to the federal government. The student is required to repay only 50% of the grant overpayment. If the student does not repay a federal grant, the student is not eligible for federal Title IV funds at any school until the overpayment is paid. The student may also owe funds to Oakland University.

Official withdrawal procedures are available on the Office of the Registrar web site at www.oakland.edu/registrar.

Withdrawing from classes may impact the receipt of future financial aid. Students should be familiar with the Financial Aid Satisfactory Academic Progress Policy which is available on the Financial Aid website at www.oakland.edu/financialaid.

Students are strongly encouraged to contact the OU Financial Aid Office prior to withdrawing from classes to obtain information on the effects of withdrawing. Many times a withdrawal requires a student to refund Oakland University and/or the federal government a large portion of the financial aid that had been disbursed. Examples of the federal financial aid refund policy are available in the Financial Aid Office.

Example of a return of federal Title IV financial aid funds calculation:

\$2,026	Institutional charges
\$1,000	Federal Subsidized Direct Loan
<u>800</u>	Federal Pell Grant
\$1,800	Total Federal Title IV aid disbursed
<u>-\$2,026</u>	Institutional charges
\$ 226	Institutional charges owed and paid by the student

Student withdrew on 38th day of 107 day enrollment period

38/107 = 35.5% Percent earned
 100% - 35.5% = 64.5% Percent unearned

Amount of Title IV aid unearned = \$1,800 x 64.5% = \$1,161.00. **This aid must be taken away from the student's account.**

Adjustment to financial aid on the student account

\$1,000	returned to the Federal Subsidized Direct Loan program by OU
\$ 161	returned to the Federal Pell Grant program by OU

End result of withdrawing

\$1,161 unearned aid that was reversed off of the student account; student owes this amount to OU and will be billed; a hold will be placed on the student record preventing future registration, graduation and transcripts.

Writing Intensive

Students are required to take one writing intensive general education course and one writing intensive course in the major. In cases where a course can meet either requirement, students may choose either general education or the major but not both.
